

## Accredited Education

With more than 20,000\*\* registrants in 2016, Meetings Today will continue to offer a full lineup of top education for our planners in 2017! Webinars are a creative and effective model for you to stand up, brand your brand, and **generate hundreds of leads**.

Each month we market a specific topic to meeting planners, and you are a part of all of it! During the program you'll be recognized and thanked by our moderator, and AFTER the program, you will enjoy all the leads from either the planners who book your demographic area, or the full list!

**Special webinar packages are available.**

## ON LOCATION BROADCASTS

### From Industry Shows

We produce our On Location Video Broadcasts from numerous industry tradeshows including DMAI & IMEX America. These broadcasts give planners who are unable to attend the ability to be engaged in the event and an opportunity to gain some valuable industry insight they might have missed with their busy schedule!

Each broadcast is taped and customized to that show, featuring a panel of experts discussing key industry topics, all created and executed by our content team.

**These sponsorships are exclusive!**
