

Meetingsfocus.com offers you two great ways to take your brand online with video!

Property and Destination Videos

The new way to market your property and destination is with video, and Meetingsfocus.com is the best place for your video to be seen by active meeting planners. Meetingsfocus.com videos are a brief online video commercial about your property, destination, facility, or services posted on Meetingsfocus.com.

Don't have a video? Our e-Media production team can help convert your slides into the perfect meetings-focused video commercial.

**Your video on meetingsfocus.com
for 12 months: \$3,000**

Meetings in a Minute

Meetings in a Minute are brief video tips made by planners and industry leaders for planners.
