As an IACC-certified facility, you can't afford to miss this program! - > 1-1 meetings with a minimum of 20 QUALIFIED meeting planners
- > Meet and network with additional planners (1-1.5 ratio guaranteed)
- > Enjoy educational sessions on planning, conference center advantages, and more, all offering CEU credits
- > Enjoy fabulous networking and evening events

For more than 25 years, Meetings Focus has been a premiere resource for meeting planners and professionals. Through our publications: *MEETINGS FOCUS EAST*, *MIDAMERICA*, *SOUTH* and *WEST*, our website: MeetingsFocus.com, educational webinars, e-Newsletters, video, and more, we've connected conference centers, hotels and DMO's to the planners who book their area. We've also created a series of live events designed to connect meeting planners and suppliers, called Meetings Focus Live!

We are now bringing that concept to IACC and its international membership with this special 1-1 Hosted Buyer effort.

Nowhere else can you attend a meeting and know that 100% of the attendees have the ability, and the interest to book Conference Centers. The entire event was created to further industry knowledge of the IACC Meeting Concept and to help you book more group business!
